AGGREGATE AWARDS SCORING SYSTEM

Hall Mark of Excellence Award: Open Category common distance aggregates over two race days based on World Cup Scoring protocol. (First place 100 points, second place 80 points, third place 60 points, etc.). In case of a tie, the result of the distance race will be used.

SFQ / XCSO Aggregate Award: Open Category common distance aggregates over two race days based on modified points system for top 10 (First place 25 points, second place 20 points, third place 15 points, fourth place 12 points, fifth place 10 points, etc.). A tie for any position in a particular race results in equal points being awarded, and the next level of points being dropped. In the case of a tie, athletes with equal points are awarded the same placing and will split the prize money awarded.
